

Seasonal Ditch-Rider Position Available

Pathfinder Irrigation District

Pathfinder Irrigation District is currently seeking qualified candidates for a seasonal Ditch-Rider position based in Morrill. This role involves a variety of physical labor, including tasks such as scooping, weed burning, and navigating in and out of ditches. The Ditch-Rider will be responsible for delivering irrigation water to designated users along a specific route.

Key Responsibilities:

- Deliver water to designated users along a pre-established route.
- Perform labor-intensive tasks, including weed control and maintenance of irrigation infrastructure.
- Provide transportation while covering the assigned route.
- Be available for on-call duties when water is in the lateral system.

Requirements:

- Must have reliable transportation for use on the designated route.
- Ability to perform physical labor, including working in ditches and outdoor environments.
- Willingness to be on call when necessary.

Pathfinder Irrigation District offers competitive wages and reimbursement for vehicle expenses. Applications can be obtained in person at the Mitchell office, located at 140624 East 10th Street, Monday through Thursday, from 8:00 AM to 4:30 PM. Alternatively, applications can be downloaded from the District's website at www.pathfinderirrigation.com.

For further inquiries, please contact the office at (308) 623-1022.
